

FORTMILL CHEERLEADING

The Town of Fort Mill Parks & Recreation Department is partnering with Miller Street Dance Academy for our upcoming Youth Cheerleading Season. Miller Streets Own Courtney McBride, a Former Carolina Panther TopCat Cheerleader, will be coaching the girls. Courtney has performed in Super Bowl XXXVIII.

The girls will cheer during our Youth Football games. Practices and Games will take place during the week. The season runs from September through November.

Courtney will be teaching basic fundamentals of cheerleading, while keeping the girls physically active. Her passion and knowledge of the sport will help develop your child's skills.
